PERSONAL STATEMENT: I am honored to currently serve on the Board of Directors for The Charter Club of Marco Beach. I have been on the Charter Club Board since 2018. I, my wife and two sons first came to Marco Island in February of 1990 and fell in love with The Charter Club. We purchased our first week in 1990 and have been coming to the Charter Club (“Our Home Away from Home”) every year since. We have continued to purchase more weeks, and we now are the proud owners of nine (9) weeks. We always stay at the Charter Club rather than trading to go elsewhere. Our two boys, and now our grandkids, love their visits each year.

My college education includes a total of three (3) civil engineering degrees, one each from Vanderbilt, Georgia Tech, and Univ. of TN. I have over 52 years of engineering experience while working in private consulting, government and academia. I am a Professor Emeritus of Vanderbilt’s Civil and Environmental Engineering Department. I retired in the Fall of 2021 after 42 years of teaching and administrative duties as Assistant/Associate Dean of the Vanderbilt School of Engineering and as an Assistant Provost for Academic Affairs in the Vanderbilt Athletics Department. Between my Master’s Degree and Ph.D. work, I worked in government for the Tennessee Department of Transportation for 4.5 years. While still a college student, I worked with two engineering firms and in 1987 I founded my own engineering consulting firm where I was President until 2021. I am excited to contribute my engineering experience and business knowledge to the Charter Club Board of Directors.

As a retiree, I still do some consulting and expert witness work, and I have ample time to devote to my Charter Club Director duties.

I am a proud U.S. Army veteran who was honorably discharged after 8 years of active and reserve duty. I was commissioned a 2nd Lieutenant in the U.S. Army Corps of Engineers in 1974 and completed my military service with the rank of Captain in 1982. I am an Eagle Scout and served as a Scoutmaster for several years. I have enjoyed teaching Adult Sunday School Classes for forty-three (43) years. I also served as Chairman of the Board for a local bank from 1997 to 2009.

In summary, I love contributing and helping to make The Charter Club a special place for all our owners and guests. Working with Hilton Grand Vacations personnel and all our great Board members is rewarding. Our very dedicated and talented Charter Club staff are SPECIAL! I would appreciate your vote for re-election to the Charter Club Board. “Thank you very much!”
